

Call for papers:

JIPB special issue on plant vascular biology

Issue Editor:

Prof. Bill Lucas
Professor and Chair
Section of Plant Biology
College of Biological Sciences
University of California, Davis
Davis, California, USA

Major topics covered will include but not be limited to:

Development;
Evolution;
Structure;
Function & regulation;
Environmental influences;
Metabolism & nutrition;
Transport systems;
Local & long-distance communication,
Insect & pathogen challenge,
Proteomics & metabolomics;
Agricultural & biotechnological applications.

JIPB issue assistant:

Johan Olausson (jolausson@ibcas.ac.cn)

Expected publication date: January 2010

Submission deadline: 15 September 2009

Contributing authors benefit from:

- All articles in the special issue will be open access;
- All charges (page and color) will be waived by the journal;
- Two free copies and 30 free reprints (upon request);
- A focused topic.

Submit your manuscript via JIPB's online manuscript handling system:
<http://submit-jipb.net>, and state "Plant vascular biology special issue" in the cover letter.
