

F. Stuart Chapin, III 荣誉教授授予仪式暨学术讲座

Prof. Dr. F. Stuart Chapin, III
Honorary Professor Awarding
Ceremony and Institute Lecture

Lecture Title:

**Linking ecosystem science to
action in a warming world**

Date: May 5th 2015 (Tuesday)
Time: 10: 00 am
Venue: Multi-function room, 2/F,
Administrative Building,
Institute of Botany, CAS
Speaker: Prof. Dr. F. Stuart Chapin, III

Institute of Botany, Chinese Academy of Sciences

Professor F. Stuart Chapin, III is an emeritus professor of ecology in the Institute of Arctic Biology at the University of Alaska Fairbanks. He is world-renowned for his pioneering work in the field of plant nutritional adaptations, climate change and sustainability. Professor Chapin was elected as a member of National Academy of Sciences in 2004, and the president of Ecological Society of America in 2011. He authored more than 10 books, including the classic textbook on ecosystem ecology: *Principle of Terrestrial Ecosystem Ecology*, and published about 500 peer papers, including nearly 30 papers in *Science*, *Nature* and *PNAS*. Professor Chapin serves on the editorial boards of several high profile journals such as *PNAS*. He is also a member of several climate policy advisory groups, including *IPCC*, *US National Climate Assessment Advisory Committee* and *IPCC review 2012*.
